**Waiver of Class Cap  
For Non-Compensated Overages**

The District and the Association agree that the Class Cap listed in Appendix F is to be waived as follows:

| <b>Period</b> | <b>Course Title</b> | <b>Amount Over Cap</b> |
|---------------|---------------------|------------------------|
|               |                     |                        |
|               |                     |                        |
|               |                     |                        |
|               |                     |                        |
|               |                     |                        |

- This only applies to classes listed with an asterisk (\*) in Appendix F
- Parties agree that the duration of the waivers coincide with the length of the course
